

Data Sharing Information

We have share data with the following companies who provide cloud based services to the Academy:

Libresoft Librarian System

Libresoft provides a self-service library management system promoting reading and information culture, motivating independent readers and learners for life. Libresoft provides a tool to quickly update the library information directly from the school administration system in one smooth process, establishing a dynamic read-only link that can update pupil and staff details instantly. For further information, please refer to the Libresoft website.

<https://libresoft.co.uk/privacy/>

If you are unable to access the website the postal address is: Libresoft Ltd, 37 Courtenay Road, Winchester, Hampshire, SO23 7ER.

Google Online Services

Google provides a cloud productivity suite free to establishments in UK education. It provides pupils, teachers, and staff with enterprise-grade communication and productivity services which include email, online document editing and storage space. If you are unable to access the website the postal address is: Google UK Ltd, Belgrave House, 76 Buckingham Palace Road, London, SW1W 9TQ

For further information, please refer to the Google's privacy policy:

<https://policies.google.com/privacy>

Teachers2parents

Teachers2Parents (Eduspot) provides a range of applications to help schools improve communications with parents. This includes sending text messages and emails. The school uses T2P to contact you to advise of school closures/wellbeing etc. To enable us to do this we will share your information with the provider of this service to ensure that you receive vital information about the school in a timely and efficient manner without the responsibility of delivering of these important messages being placed on pupils.

Wonde

Wonde enables accessibility to personal data from the school's Management Information System to deliver a variety of apps and services on behalf of the school. As such Wonde ensures information security and enables the school to manage what access is given to personal data hosted on the school's Management Information System.

<https://wonde.com/privacy-policy>

EVOLVE (EDU Focus)

EVOLVE visits is an online system for the planning, approval and management of educational visits, sports fixtures and extra-curricular activities. We use EVOLVE to support the planning, approval and management of educational visits and other activities.

<https://edufocus.co.uk/pages/evolve/gdpr.asp>

CPOMS

CPOMS is safeguarding software used within school to record any incidents regarding behaviour or issues to the safeguarding of children. Staff record incidents on the system and these can be read by the appropriate member of staff. Letters are also scanned onto the system, so the school has a full record of information relating to a child. Data is transferred

to the child's new school when they leave at the end of Year 6 (or earlier, if they transfer to another school).

If you are unable to access the website, the postal address is: CPOMS Systems Limited CPOMS House Acorn Business Park Skipton, North Yorkshire BD23 2UE
