

Year 6 Home Learning

This is your home learning for the next few weeks. Everyday there are set tasks from your teacher and there is also a mini project you can complete over the time. You can email or tweet your learning or share it on your weekly phone call with your teacher.

Reading - read together or read to each other or Reading+ session	Reading - complete the comprehension 'The Space Times'	Reading - read together or read to each other or reading+ session	Reading - complete the comprehension 'My Space Journey'	Reading - read together or read to each other or reading+ session
Writing - start a story with: It was May, 2025 when I first discovered..	Writing - write a story about waking up in the future.	Writing - write a diary as a space explorer on a planet.	Writing - list all your hopes and dreams for the future.	Writing - write your own story
Tech time - 15mins of TTR's or Maths Whizz (MW)	Tech Time - 15 minutes on Purple Mash	Tech time - 15 minutes of TT Rockstars/MW	Teach time - 15 minutes on Purple Mash	Tech time - 15 minutes of TT Rockstars/MW

The Space Times

Solar Eclipse at Eclipseville

3 People flocked to
6 Hopkinsville, USA (now
9 affectionately referred to
13 as 'Eclipseville') on August
18 21st 2017 to watch the
22 first total solar eclipse
27 observable from the USA in
30 nearly 39 years.

33 The previously little-
37 known town was declared
43 by NASA to be the best
47 place to see 'totality'
52 (meaning the sun would be
56 in complete shadow). They
60 were right and totality
65 lasted for an unrivalled 2
68 mins 41.2 secs.

73 "I made a pinhole camera
78 and was amazed by how

82 long the eclipse lasted,"
85 said one visitor.

89 "It wasn't pitch black,
94 but felt very gloomy and
97 slightly spooky," said
98 another.

103 You only have to wait
107 another seven years until
113 the next full solar eclipse in
117 USA. But will Eclipseville
122 be the best place to
124 view again?

Quick Questions

1. Which word means 'better than everything else'?

2. What does 'totality' mean?

3. Why were people so keen to go to Hopkinsville on 21st August 2017?

4. Why does the author use the word 'affectionately'?

My Space Journey

12 Today was the most exciting day of my life! I was finally
21 able to fulfil my ambition of travelling into space.

32 Despite having dreamed of this since I was a young girl,
39 and having completed extensive training, the actual
48 journey was much more arduous and taxing than I'd
50 ever expected.

63 The 4G force pushing on my chest as we took off felt like
74 ten elephants were sitting on me, and the wave of nausea
84 was a tsunami! I managed to distract myself with the
95 view out of the window and suddenly we were in orbit;
106 my body felt like a feather floating gently on the breeze
114 but the pressure in my head felt like
119 a sledgehammer was hitting it.

127 It was a day of contrasts but I
130 wouldn't change it!

Quick Questions

1. Which two words mean the same as 'difficult'?

2. Find a metaphor within the text.

3. Do you think the astronaut will enjoy her time in space? Explain why.

4. Why does the author say, 'It was a day of contrasts...'? Use the text to support your answer.

Reading - read together or read to each other or Reading+ session	Reading - complete the comprehension 'Robot Revenge'	Reading - read together or read to each other or reading+ session	Reading - complete the comprehension 'Superhero Facts'	Reading - read together or read to each other or reading+ session
Writing - start a story with: "I've finally made it!" she exclaimed, triumphantly.	Writing - write a story using the picture below to help describe the planet you land on.	Writing - write a letter of thank you to someone who has really helped you in your life so far. Explain why.	Writing - make a list of rules/ways to help you cope and feel positive about your new school for Sept.	Writing - write your own poem about how we change/grow and are moving on or reflect on your time at SJA.
Tech time - 15mins of TT Rockstars (TTR's) or Maths Whizz (MW)	Tech Time - 15 minutes on Purple Mash	Tech time - 15 minutes of TT Rockstars/MW	Teach time - 15 minutes on Purple Mash	Tech time - 15 minutes of TT Rockstars/MW

Robot Revenge

11 The year is 2053. Robots are a part of everyday life –
17 they drive hover-trains, serve in holographic-restaurants
26 and even teach in virtual-schools. They are so realistic
38 that it can be hard to know whether you are talking to
50 a fellow human or a robot (in some cases the only clue
61 is the small light that can be seen faintly glowing from
65 behind the left ear).

73 In fact, robots are becoming increasingly infuriated with
83 their place in society. A group are plotting their revenge
94 on humans. They want to teach humans a lesson – it is
105 about time that humans started to be grateful for all the
114 wonderful opportunities they have in life. The robots will
117 make them realise...

Quick Questions

1. What jobs do robots do?

2. What does 'holographic-restaurant' and 'virtual-school' tell you about life in 2053?

3. Give two phrases which tell you that the robots have had enough of their position?

4. How do you think the robots will teach the humans a lesson?

Superhero Facts

9 Superheroes are fantasy characters who are dedicated to tackling
19 crime and battling villains. They were originally created as part
30 of comic book stories in the late 1930s. Superheroes have special
37 (superhuman) powers such as those described here:

39 Lightning Girl

51 Lightning Girl is one of the daughters of a native American tribal
62 princess, all of whom have auburn hair and the potential to
64 wield magic.

71 **Flight speed:** Subsonic (when propelled by winds)

77 **Fighting skills:** Excellent hand-to-hand combatant, trained
79 by Anaconda.

80 Anaconda

87 Anaconda was born with superhuman strength, the
95 ability to heal his own wounds (unless they
103 are severe) and the power of flight. He
109 was later given an invisible, strong
114 exoskeleton to protect him further.

119 **Age:** Over one-hundred years old
122 (but not immortal).

Quick Questions

1. When were superheroes first created?

2. Find and copy two verbs which mean the same as 'fighting'

3. Why do you think that Anaconda is 'not immortal'?

4. Who do you think is more powerful: Lightning Girl or Anaconda? Explain your reasons why.
