Principal Jack Graves

Dear Parents and Carers,

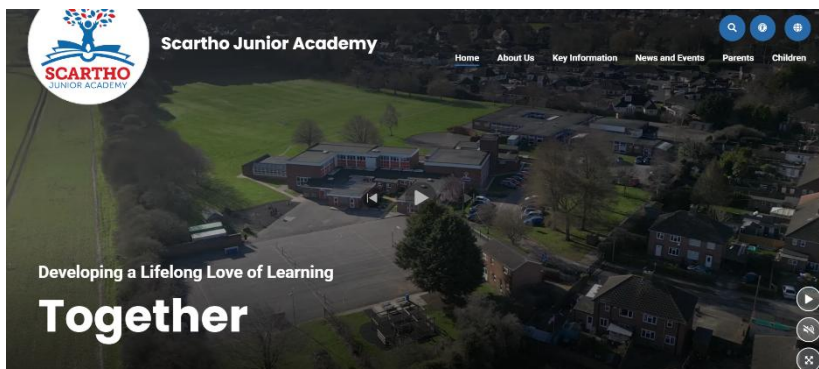

I am absolutely thrilled to announce that **our brand-new SJA School Website launches today!**

Over the last few months, we have been working hard behind the scenes to completely redesign our digital home. Our main goal was to create a website that was purposeful, useful for both parents/children and welcoming. We wanted a site that truly reflects our vibrant school community while making life much simpler for our busy families.

Here are the key new features to look out for today:

### Welcome Video –

We are incredibly proud of how our welcome video turned out. It showcases the heart of SJA and highlights what makes us so special!

### Latest updates –

This section will be updated with exciting activities that the children have participated in. These updates will also be pulled directly from the social media platforms so it will be a one stop shop for your SJA news! Newsletters can also be accessed from this area.

### Latest Updates
